

Peter Rabbit Foil Art

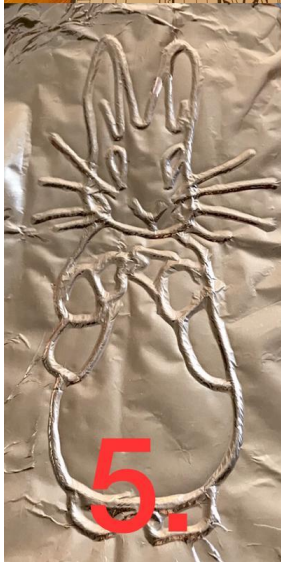

1. Materials needed: Paper, sticky back plastic, felt pens, string, scissors, aluminum foil

2. Draw your picture onto the paper with a black pen

3. Peel the backing off the sticky back plastic and lay it over your drawing (Sticky side facing up)

4. Walk the string over the sticky back plastic with your drawing showing underneath

5. Lay the aluminum foil over the string drawing on the sticky back plastic and press down with your finger all over the string

6. Turn over your string/foil drawing and trim the edges

7. Using felt pens colour in your foil drawing

8. Outline your foil art and add a background scene to complete.
